Dear Colleagues,

It is our great pleasure to invite you to attend the **International Seminar on Biomaterials & Regenerative Medicine BioReMed, on September 17-20, 2015.**

The conference will be organized by Romanian Society of Biomaterials in partnership with University of Oradea-Faculty of Medicine and Pharmacy.

The aim of this event is to connect scientists from biomaterials and tissue engineering research field with clinicians from different area of expertise (dentistry, orthopaedics, neurosurgery, ophthalmology, cardiovascular surgery, general and aesthetic surgery) and pharmaceutical science as well. They are invited to present their results on the clinical performance of current medical devices and debates on the translation of biomaterials and tissue engineering research into clinical practice. A Technical Exhibition of interest for participants and exhibitors will run in parallel with the scientific sessions.

The conference venue is the **Felix Spa Resort-International Hotel****** with excellent facilities for conferences and a modern SPA center providing high quality services, confirmed by EUROPESPA-med certificate.

Looking forward to meet you at BIORREMED 2015!

Important Dates

Abstract submission deadline / June 15, 2015

Notification of acceptance / June 22, 2015

Early rate registration / July 15, 2015

Normal rate registration / July 15-August 15, 2015

Late rate registration / after August 15, 2015

Full-paper submission / August 15, 2015

Call for papers

The Proceeding of **BIOREMED 2015** will be published by Trans Tech Publication in the "**Key Engineering Materials**" periodical. All accepted full papers must have 4-6 pages. KEM is available in print and online via www.scientific.net.

Also, the Scientific Committee will select some representative papers for submission in different journal with ISI impact factor, according to the topic of the scientific sessions.

BIOREMED2015 has applied for accreditation by the Romanian Dental Council and Romanian Medical Council to provide CME activity for medical specialist. The participants will be awarded with credit points from the Romanian Dental Council and Romanian Medical Council (special certificate).

Looking forward

to meeting you

in Oradea-Baile Felix!
